YUDHISHTHIR SINGH

SHRIKANT BASHIR' FAME YUDHISHTHIR SINGH: A RISING STAR IN THE INDIAN ENTERTAINMENT INDUSTRY

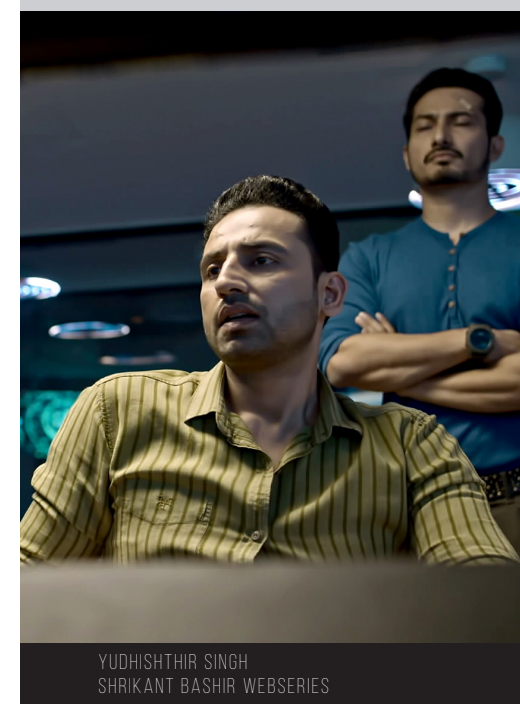

Hope the readers have watched an Indian Sony Liv web series 'Shrikant Bashir' and you must have remembered the lead actor Bashir Khan Yudhishtir Singh. The first time I saw Bashir Khan was in a scene from the hit Indian Sony Liv web series 'Shrikant Bashir'. As Senior Officer of 'SOT', an intelligence agency, he thwarts the enemies' plan with ease and precision with the co-actor Gashmeer Mahajani also known as Shrikant in the web series. What intrigued me the most about Yudhishtir's character was his sharp mind and fearless attitude in the face of danger. I was curious to know more about him and decided to do some research on the actor who plays him, Yudhishtir Singh. I request Yudhishtir to tell me about yourself and your upcoming work and some words about your web series. He agreed to give an exclusive interview (Q/A) to EMEA Tribune.

DJ: Hello Yudhishtir Singh, Please tell me about yourself

Yudhishtir: I am an Indian actor who started my acting through my debut Indian web series 'Shrikant Bashir' in 2020. I was born and brought up in Delhi in a political business family. I schooled in Delhi and graduated from Delhi University. By education, I am a lawyer and got my education from the Delhi law faculty. If you don't know then let me tell you, I am also a former professional cricketer and have played all-age group cricket for Delhi and Haryana. I have played first-class cricket for many years and then IPL for Hyderabad and Delhi. I got injured in 2014 while playing cricket, but I recovered after 8 months. In 2016 I moved to Bombay (Mumbai) and started working as an assistant director to Nikkhil Advani.

DJ: That's really great, please tell me about your experience with your web series Shrikant Bashir and when Season 2 coming.

Yudhishtir: As you know the web series Shrikant Bashir is produced by Salman Khan, we had and we have plans for releasing the Season 2 of the web series. The script is already locked but due to some technical problems and because of the covid pandemic we have lost a few key people (Bikramjeet Kanwarpal) who were integral parts of the project. But season 2 is coming soon and we hope it will happen soon.

DJ: Well yes it was sad to hear about Bikramjeet sir, please tell me about your future projects

Yudhishtir: Currently I am doing a film with Anurag Kashyap and for that, I am currently shooting for it. I have another web series coming up next under the banner of Salman Khan films. The audience will see me again on the big screen and I am confident to entertain my audience.

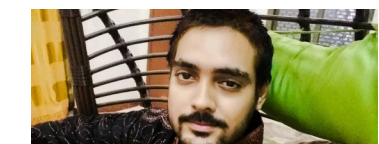

EMEA Tribune Review:

I watched Season 1 twice just because of him and also for Gashmeer Mahajani. Their duo was amazing, Gashmeer (Shrikant) mantra of life is 'No rules, No Commitments, Only adjustments' but for Yudhishtir (Bashir) Rules are Regulations must be followed. I can't wait to see him in Season 2 and we all are waiting for Season 2. Follow Yudhishtir Singh on Instagram and get the latest updates about his works, and upcoming movies/web series.

“

Yudhishtir Singh is a down-to-earth person with no attitude, an actor with unmatched skills who didn't fail to entertain his audience of Shrikant Bashir.
